Referees

Please give the names and addresses of two referees, who should not be related to you. Unless there is good reason, we would prefer one of these to be taken from your most recent employer or supervisor (where applicable). References for all short-listed candidates will be taken up prior to interview. If you do not wish us to take up a reference from your current employer at this stage, please say so and it would then be helpful to us if you could give an additional referee who can be contacted prior to interview. If the employer reference is not taken up at this stage any offer of appointment will be made subject to that reference being satisfactory.
